Chairman's Message

Tattersall's Club moves well into 1981 mindful of the standards created. We enjoy prestige, good fellowship and esteem which is so important in Club life.

I am delighted to report the record attendance at the Chairman's Cocktail Party. It was pleasant to meet so many friends. This party provides members with an ideal opportunity to exchange good wishes.

The New Year's Day Race Meeting at Randwick conducted by our Club, was an outstanding success. Good racing, pleasant luncheon and members present exceeded the 1979 attendance figures by three thousand. I thank our Racing Sub-Committee and Club officials who contributed in no small way. Support for this racing day was splendid.

A "Max Bygraves Black Tie Dinner Show" will be staged in the first floor Club Room on Thursday, March 26, 1981. It is the most important entertainment venture undertaken by Tattersall's Club. Support spearheaded by Committeemen Tony McSweeney, Norman Rogers and Bruce McHugh will guarantee a sell-out. Details are contained in an advertisement in this magazine.

His Excellency, the Right Honourable Sir Zelman Cowen, A.K., G.C.M.G., G.C.V.O., K.St.J., Q.C., Governor-General of Australia and Lady Cowen will be the honoured guests at the Sydney Cup Week Dinner on Thursday, April 23, 1981, in our Club Room. This function rates highly in the Social Calendar of the Year. Past successes ensure this year's dinner will be well attended by members and their friends. Notice will appear in our next issue.

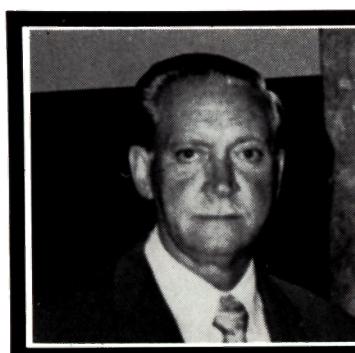

The new conditioning Sports Trainer Machine Installed in the Athletic Department is in full use. A large programming display is located with the machine. Members can follow the series of exercises and make the most of this modern method of training.

I was pleased to unveil a portrait of Member Sam Block. It was a present by his friends in recognition of Sam's tireless support for the Athletic Section.

New carpet has been laid in the Dining Room on the fourth floor. The Lounge and Foyer areas will soon be completed too. The second floor area is next on the list. Installation will be finalised in the next few weeks.

Kind Regards,

Keith H. Moremon

VALE

It is with regret we report the sudden death of Committeeman John McKell on Saturday, January 24, 1981. John was the longest serving Committeeman of Tattersall's Club. His devotion to the Club was outstanding. We mourn his passing. Sincere condolences are offered to his dear wife Peg.

Tattersall's Club

HAPPENINGS

The singing entertainment magic of MAX BYGRAVES will be presented by Tattersall's Club on March 26, 1981 in the **MAX BYGRAVES' BLACK-TIE DINNER SHOW**. It is the first time a major presentation has been undertaken by the Club — a sell-out is guaranteed. May we suggest you book now. Tickets are very limited.

WINNERS CAN SMILE!

Congratulations to Club Member Arthur O'Connor for the happiest photo of 1980. His joy was expressed as he received the Snooker Handicap Winner's Prize.

Chief Guest at Kindred Club Luncheon was the Honourable Sir Laurence W. Street, KCMG, Chief Justice of NSW and Lt. Governor. He looked immaculate. His charming and dignified presence captured all.

Tattersall's New Year's Day Race Meeting was up 3,000 in attendance on the previous year. Free tickets were supplied to members. A Luncheon for Guests and Ladies' Luncheon made it a day to remember. We suggest members give consideration to attending future happy Tattersall's Club days.

Old news now but we couldn't resist the picture of one of the prize-winners at the Chairman's Cocktail Party. A record attendance made history for this festive celebration (see full picture page 5).

ROBOTS ON THE MOVE!

It is reported that American robot sales in 1979 totalled \$US90 billion. Robots, with the aid of computers and microprocessors, are being used extensively already in the car, aerospace, appliance, metalworking, glass, rubber and machinery industries.

They weld, paint, cut, assemble and load machines. One company has developed a robot that can see and feel and assemble.

I read a report which said "protection only delays the inevitable if the decline in the industry is attributed to changing consumer tastes, input prices or perpetuation of obsolete and inefficient production techniques".

This I believe and feel as long as markets and production expand, increased productivity does not have to result in reduced employment.

It will create a higher standard of living too.

LUNCH-TIME LEGEND

Chirpy British Airways' John Rousell, reckons renowned cricketer and member Keith Miller is a "Legend in his own lunch-time".

YOU VEGEMITE KNOW!

A newspaper reported "Vegemite, which as we all know, comes from sap of Bottee, or BREWGOITRUS tree, which flourishes in Central Australia". I suggest you try friends and ask them the origin of Vegemite — you'll find the correct answer is hard to get.

FISH GOING EAST UP NORTH

Fish are disappearing is the northern marlin report. Experts lay the blame on Japanese 48 km-long set-lines that were okayed in the previous open season (as part of government trade deal).

Huge catches found their way to the can by this brutally-effective method.

Will it share the fate of the humpback black whale? The Barrier Reef was once their nursing ground.

OH! WHAT FUN FOR EVERYONE . . .

RECORD ATTENDANCE AT CHAIRMAN'S COCKTAIL PARTY

Records went by the boards when members and friends gathered for the Tattersall's Club Festival Season celebrations.

Staged in the gracious First Floor Lounge all were able to move freely and enjoy the friendly feeling that prevailed.

Chairman Keith Moremon and his charming wife Jill welcomed the merrymakers. Many members departed with prizes. Teddy bears and toys won would make numerous young hearts joyful.

Mr Geoff Luton, Mrs W. Watson, Mrs G. Luton and Mr Bill Watson with prizes of the Night.

Mr Os Bates, Mr and Mrs John Meillon and Mr and Mrs Dermot Murphy.

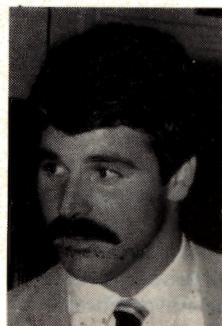

A bright young Club foursome at the party. They were not worrying about the clock – just enjoying a good time.

PEOPLE

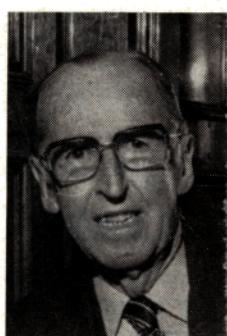

Rothmans' executive Adrian Mitchell and NSW Cricketer Malcolm Stenning. Members show rapt attention as Chappell nears his 200. Seen in Rothmans' Box at SCG, 1st Test v. India.

Swim Champ Neil Rogers fighting fit and sporting a dashing moustache.

Mr and Mrs David Dind, great Club supporters. Likeable son Peter follows dad's footsteps.

Retired Blue Metal Ind. executive Eric Puckle sees his mates every Monday at the "Round Table" in the Club.
The Table was formed 30 years ago by the late Bon Eastment.

In recognition of great service over many years, AJC Handicapper was made an Hon. Member of Tattersall's. Ken retired in December.

of Istanbul, not forgetting the special magic of the Greek Islands.

After returning to Athens Charles flew to Vienna spending a few days in that fair city including a visit to the famous Opera House for a performance of "The Barber of Seville". He used a Eurorail ticket to travel across Austria to Switzerland and Italy before flying to Athens and finally back to Sydney.

MEMBER TO REMEMBER

LEO STEVENS was proposed and guaranteed by the late Joe Matthews when he applied for an AJC bookmaking licence in 1940. He had "served his apprenticeship" in the Western District.

He bought the freehold of the Exchange Hotel, Parkes in partnership with Joe Matthews and Clarrie Johnson.

In 1946 Leo, wife and family of five boys moved to Sydney. The boys attended St. Joseph's College. Leo fielded at Randwick. Crowds up round the 70,000 and more were not uncommon.

In one Spring meeting his great credit betting filled six sheets for settling at Tattersall's.

He retired in 1957. Leo bought a share in the Oceanic Hotel, Coogee. Good friends included Joe Matthews (Winooka), Clarrie Johnson, Stephen Blau (Prince Morvi), Joe Harris (Spearex) and Joe Ryan.

Miller's Brewery purchased the Oceanic Hotel from the company.

Leo retains his interest in racing as a Turf Commission agent.

A very successful antique business is conducted by his son Ron with Leo - see page 11.

GOLF CHAMPIONSHIP AT MANLY

On the hottest day for more than 30 years 55 starters only, braved the conditions for the 1980 Championships at Manly. Many fell by the wayside and failed to complete the Course, including such fine athletes as former Diving Champion Arthur O'Connor and All-Sports Champion, Committee-man Norm Rogers. All who completed the Course deserved a medal and by no means the least, our Champion for 1980 Don Dunne, with a fine score of 79. Not far behind came Phil Byrnes on 81 and "Grunter" Jim Grant who, also on 81, won the veterans from Ron Everett on 82.

It was good to see former Club Chairman Geoff Eastment back after a long lay-off, Geoff taking out the "B" Grade Handicap with a nett 69.

John McLean won the "B" Grade Championship with a score of 83 from Snooker Champion Warren Foster on 85. Don Cameron had 92 to take out "C" Grade from Brian Granger on 96.

Basil Phillips showed the field a clean pair of heels, taking out the Bradman with a score that still has to be determined.

The AGM was conducted in orderly fashion by "stand-in" Chairman, Kevin McCann, President Bill Hunt, at the time touring Singapore and Bangkok with Treasurer Kevin Elliott, shooting birdies and pars.

The programme for 1981 has almost been finalised with five confirmed bookings at Manly, Pennant Hills, Killara and Pymble. We are hopeful of returning to the Australian in either May or September leaving one venue only to secure.

Opening day for the season will once again be at Manly on Thursday, March 19 — a good roll-up would be a good way to kick off the new season.

Greater Club support is the keynote for the 1981 season. There's a lot of fun and good golf courses available to you. Young and bright Phil Byrnes and Peter Dind have joined the committee.

TATTERSALL'S CLUB PRESENTS

MAX BYGRAVES' MAGIC FOR CLUB MEMBERS

"The epitome of show business", "a master craftsman of entertainment", "almost a living legend", "a man whose talent knows no age barriers".

Those are but a few ways to describe the gigantic talent of Max Bygraves, who has stayed at the top of his particular entertainment tree for more than a quarter of a century.

This is the man who soared into the Top Ten in 1954 with "Gilly Gilly Osserfeffer", which is one of the songs he includes briefly in his faultless act at the Opera House.

His other big hit songs, like "You Need Hands" and "Tulips from Amsterdam" are also featured, of course, but it's not just the songs or the way in which he incorporates hilarious jokes into narratives about his early days, etc., that made him a smash hit last night, because there's so much more to Max than just that.

His charisma is astounding. He has the audience eating out of the palm of his hand from the moment he comes on to the stage, and not for one minute does he fail to do what was expected of him — entertain as though it was going out of fashion. Immaculately dressed in

You'll love all the singing numbers he uses, especially those of you who like nostalgia, because that's part of Max's world, which he freely shares with his audience.

Recently in England it was obvious at the end of his act that he did not want to leave the stage any more than the audience wanted him to go, but lack of time meant that this had to be the end of a night which will be remembered fondly by everyone who was present. Tattersall's Club members will experience the same magic.

VALE

SKI CLUB MEMBER TONY PATTERSON

Members of Tattersall's Club
and especially those of the "Third
Floor" and Tatt's Ski Club, are
saddened by the recent untimely
death of their friend and fellow
member Tony Patterson after
some months of illness.

"Patto", as he was fondly known,
had been closely involved in the
running of the Ski Club in its
earlier years and frequently joined
in the club's activities in the
snowfields and on other social
occasions.

Being very family conscious,
most of Tony's time was devoted
to his wife Annette and their five
children. Highly-respected as a
solicitor, he carried on his business
as long as he could to the end
despite a great deal of increasing
pain and inconvenience which
finally forced him to stop.

Those of us who had the pleasure
of knowing him will truly
miss him but can take some consolation
in recalling the many pleasant memories of good times
shared and of having known him
and enjoyed his company.

To Annette and her children
and to Tony's parents we offer
our sincere condolences.

SNOOKER AND BILLIARDS

Syd Lane

Recently we had a feast of Snooker, the occasion being a challenge by Eddie Charlton (an Australian and World Champion) to give a 500-point start to our top seven players, who of course added their individual scores to the 500. This match was played at night so that we could invite our wives and friends to share the enjoyment. Pre-dinner drinks were served in the second floor buffet, followed by a really delicious smorgasbord with a nice choice of wines.

The match itself was played in the championship room so attendance was limited to one hundred, and needless to say we had a full house. The players selected to match their skills

against "Steady Eddie" were Warren Foster, Phil Hase, Jack Mater, Lee Bluett, George Mousally, Ken McDonald and Kevin Leighton. Although Eddie made a fine break of 93 in the last frame, our fellows piled up sufficient points to come out on top by a small margin. Jack Mater and Lee Bluett gave excellent displays of beautiful safety, whilst it was left to the two "Oldies" to be top scorers for our side — George Mousally 46, Ken McDonald 41. In addition to showing his ability to pot, Ken also staged a good vaudeville act which won the hearts of the ladies and the applause of all spectators. Champion "Eddie" delighted all present, particularly the ladies.

The club should be congratulated for staging such a fine social evening and should be encouraged to arrange more such functions.

The inter-club tournament came of age in 1980 by playing for **twenty-one** consecutive years and I am pleased to report the coveted trophy was won by our Club. Sydney Club was host for the annual dinner and presented each of our players with a beautiful Whiskey Decanter and six matching glasses.

Now to report on the 1980 tournaments and championships, here are the full results:

BILLIARDS HANDICAP:

- 1st Morrie Anderson
- 2nd George Mousally
- 3rd Robert Lavigne
- 4th Colin Pearce

SNOOKER HANDICAP:

- 1st Arthur O'Connor
- 2nd John McSweeney
- 3rd Graham Molloy
- 4th Tony Murphy

BILLIARDS CHAMPIONSHIP:

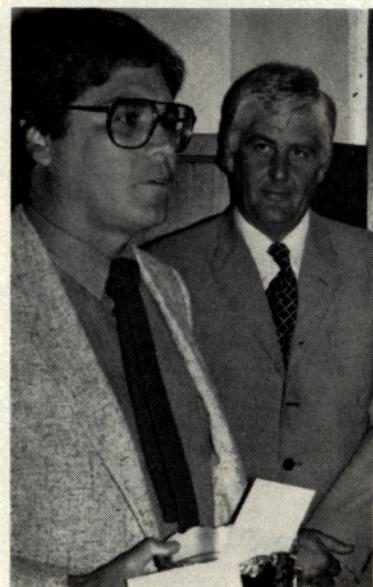

- 1st George Mousally
- 2nd Phil Hase

SNOOKER CHAMPIONSHIP:

- 1st Robert Lavigne
- 2nd Warren Foster

Congratulations to all winners and place-getters, and especially to Bobbie Lavigne who defeated the two hot favourites, Warren Foster and Phil Hase to win the Snooker Championship.

Sorry to report that Ken McDonald broke his leg during the Christmas holidays but glad to report that he is making a splendid recovery and we look forward to seeing him soon on the second floor.

TATTERSALL'S CUP AND CARRINGTON AT RANDWICK RIVER D'OR WINS TATTERSALL'S CUP!

NEW YEAR'S DAY MEET

It was an exciting Cup and Carrington Stakes day held on New Year's Day at Randwick. Club Member and Great Australian Sportsman Dick Thorne was a guest of honour. He was introduced by Chairman Keith Moremon who also greeted visiting Belmont Park member Milton Rothchild, who was a guest.

Racing was keen. The Carrington Stakes was won by the Biscay – Gay Wendy (GB), five year-old Biscawong, owned by Mr and Mrs S. R. Wong. It was trained by Tom Smith.

Mrs Keith Moremon entertained Members' ladies at lunch in the Queen's Room.

River D'Or's performance in winning Tattersall's Cup was very thrilling.

THE HAWAII SWIM TOUR

A Delayed Report by "JAWS"

A Tattersall's contingent journeyed to Hawaii for the purpose of competing in two international swimming events there. The swimming team comprised Alex Hillston, Harry Turner, Ron Rogers, Paul Blake, David Barnett and Peter Joseph, while our other swimmers in the party were Arthur O'Connor, Norm Rogers, Tony King, Max Sernack, Gordon Salier and Ken Francis. Many of the party were accompanied by their ladies, and the Saliers by their son Gordon, junior. John Utz, Stephen Blau and Jack Ingham were also visiting the Islands at the time.

Arriving at Waikiki, the swimmers came under the strict regimentation of Alex Hillston, who organised rigorous daily training sessions. The results of this training were readily apparent and famous swimmers in John Konrads and Mark Spitz were soon seen in the company of our team.

Social activities, however, were not forgotten. The heat of the day and the "saltiness" of the water caused appropriate "anti-dehydration" measures to be taken and the Hawaiian press reported our members' regular presence

in the "Trappers Bar" of the Hyatt. Arthur O'Connor entertained the patrons there with his own special rendition of "Waltzing Matilda". Tatt's affiliate club in Honolulu, the Outrigger Canoe Club, was also the scene of much post training activity.

Our party then travelled to Maui to begin preparation for the first event, the 9th annual six-man teams relay over a 9.6-mile course between the islands of Lanai and Maui.

On the morning of the race we arrived at our chartered boat at 6 a.m. and left in the morning gloom on the inter-island passage. We shortly became concerned as to the roughness of the seas and, after Margaret Turner went below, our seasickness tablets were in some demand.

The initial swimmers in the relay swam some five hundred yards to the beach at Lanai, lined themselves up and started. Alex Hillston, showing the benefit of many surf races, won the start and swam strongly for the initial half-hour swim, which he ended almost level in the lead with the swimmer from the male Dolphins.

Three teams had by then dropped behind, while three others, including the fancied teams from Waikiki Swim Club and the Olympic Club of San Francisco, had diverted substantially to the south west.

Our next swimmer was Harry Turner and he had to battle the biggest waves in the race. Harry, who is a current Australian Seniors champion, maintained our position near the lead throughout his half-hour in the water. However, positions were becoming difficult to judge as boats had spread out.

Our third swimmer, Ron Rogers, showed the powerful form which made him Australian Belt champion. At the completion of Ron's swim, we believed that only the male Dolphin was ahead of us.

Suspecting that other teams may have had the benefit of some local knowledge, we asked our captain as to whether we were properly on course. He assured us he had been sailing in the area for eleven years and that we were approaching Maui by the most direct route. On the basis, therefore, that we were just about the only team going straight, we began to entertain hopes that we might win the race.

SAM BLOCK HANDBALL LIFE MEMBER

By Peter Ashby

At a recent handball function Norm Rogers, Handball President, graciously bestowed honorary life membership of the Tattersall's Handball Club upon sporting evergreen and past handball great, Sam Block.

Sam Block, handball and sportsmanship are synonymous. Sam, until very recently could cause surprise in newcomers to the game with his agility and adeptness. During his fifty very active years in this great sport he accounted for all the greats on the court and he has a sharply-perceptive eye for the improving player and the oncoming champ. Sam responded in his usual grand style.

VELLA'S BIG YEAR

Noel Vella, ubiquitous handballer supreme, won the 1980 Tattersall's Plate to give him his second victory in this prestigious event on the handball circuit.

Noel's record for 1980 reads: Tatt's Plate Singles Winner, State Singles Championship Winner, Tamarama Singles Championship. Noel previously won the event in 1978 defeating the same finalist, Reg Chappel, of Bondi, in both matches.

Tattersall's Plate is a trophy keenly sought by the top handballers in the State and instituted by handball President, Norm Rogers.

Winner of the finest two Plates was Ron Rogers and other winners are Ray Hopkins and Michael O'Dea.

Vella started on pronounced odds-on favourite but encountered some stiff opposition from Reg on his way to his second victory.

It was a fiery encounter and the almost continuous applause earned from the gallery seemed to inspire both players to achieve greater heights of handball agility.

Noel drew away over the final stages to win an exciting encounter, 31-22.

MICHAEL O'DEA TATT'S CHAMP

Michael O'Dea carried off another Tattersall's singles handball championship when he defeated Tony Baine in a match that provided absorbing interest and several long rallies. Michael defeated John McGuire and Bill Blakemore to enter the final.

Bill Blakemore accounted for Ken Glass in an upset result 21-17, 22-20 and 21-19.

Bob Lipman had two good victories

in defeating Norm Rogers 21-18 21-8 and Charles Robinson 21-17, 21-7. Tony Baire proved to be the big improver to win his way into the A Grade final in his first hit-out in top class. Tony likes to play the game **HARD** and fast and at this early stage of his handball career promises to be an electrifying player of the future.

Tony beat Ray Hopkins 21-17, 21-17 and then disposed of Ron Rogers 21-15, 21-9. Bob Lipman went under to the young chap in the first set by 11-21 but in the second set was responsible for producing some great handball that forced Tony to produce his best before assuming superiority at 28-26.

Ron Rogers defeated Mal Fuller 21-8, 22-20. The final produced almost every shot in the handball competition, it had too, with both sets requiring an hour to decide the winner.

The finest point of the first set was undetermined after more than 200 hits and this style of play typified the strategy of both players.

Michael won the first set 21-2 but the score gave no indication of the closeness of play. Tony started the game very fit and quietly confident and he played accordingly without giving points to his opponent by loosely hitting wildly for winners. In retrospect the relationship between the play and the score is totally inexplicable.

The second set was much closer in scoring but the play and result was the same with Michael earning the final pat from the referee 21-2, 21-12.

SWIM PRESENTATION NIGHT

DINNER PRESENTATION NIGHT AND FUN AT POOL SCRAMBLE

The Swimming Club's Annual Presentation Evening and Dinner Dance was a huge success.

A special photo portrait was presented to Sam Block in recognition of his outstanding contribution to the Athletic Section of Tattersall's Club. His magnificent record was outlined by Chairman Keith Moremon when making the award.

Sam's wife Nell featured in the function and received a present. Maybe it was for allowing Sam to spend so much time in service.

A caricature by eminent cartoonist Member Molnar (Professor George Molnar, OBE) was unveiled and presented.

Sam, in his reply amazed the Members present with his clear and concise memory of many happy events through the years.

Chairman Keith Moremon honoured the swimmers by presenting the trophies to the winners of the Club Championship.

Smiling Max Sernack was the compere during the evening presentations were made to Alec Hillston, Captain of the Relay team that participated in Hawaii for a framed picture of himself and Mark Spitz, the Olympic Champion, and the Club's Honorary Secretary and Nell Black of a portrait, cartoon and gold-mounted cane. No doubt that Tattersall's has some quite terpsichorean performers in David Bruce, Charles Coppa, David Duid and Justices Bryce Ross-Jones and David Touge. The verdict went to David Bruce from Charles Coppa with David Duid, Bryce Ross-Jones and David Touge in a triple dead-heat for the third spot in this dance competition.

The struggle was so intense that David Duid was carried off to hospital the next day and the whole five participants missed the next five swims.

The Traditional Christmas Scramble was keen in competition. For the winning team there was the trip to represent Tattersall's at Waikiki. Oh Yeah! The eventual and lucky winners were Mike McCormack's "Porpoises" from Harneg Hunters "Tuna" with Chris Gleeson's "Maslin" in third place, whilst Norm Rogers' "Sharks" plus several late-comers were relegated to the consolation stakes. The event of five times across the pool resulted in a win for Barry Tunes from David Robinson with John Nicholas in third place.

Still in all everybody went away happy as the many prizes were equally distributed amongst all taking part. Since the last magazine issue three point scores have been completed the winners being Bill Devness, Brian Holmes and a dead-heat between Gordon Salier and Michael McCormack for the December Trophy.

It is with real appreciation we record the generosity of John Waterhouse of Taberge, Don McWilliams of McWilliams K&B. Francis and Phillip Bloom, not forgetting the generous support of the following: "Morry" Anderson, Lionel Abrahams, Paddy Barrett, Arthur Browning, Len Burke, George Cohen, B. Chechik, David Dransfield, Owen Dirham, David De Mestre, Fred Daly, Graham Glenwright, Sol Green, George Gayleard, Mal Holechek, S. Hallas, Bill Hannan, Ray Hopkins, Tom Keene, Bill Kelleher, John Leckie, Bill Lander, K. Langbien, Ed Laud, Bill McHugh, Tony McSweeney, Bruce McHugh, "Sandy"

TURF HISTORY

Bert Lillye, noted sporting journalist, reported on Tattersall's New Year's Day meeting at Randwick.

"Rip Van Winkle, if he had been a regular racegoer at Randwick last century, would have shaken his head in disbelief at the changes for the Tattersall's Cup meeting.

And I don't mean the starting stalls, photo-finish cameras, computer totes, mini-skirts or Women's Lib, which are now part and parcel of Sydney racing.

Tattersall's Club has had a distinguished role in Sydney's racing history for almost 120 years. It would quite easily have been the first sponsor of a feature race at Randwick.

Back in 1860, Tattersall's subsidised a race worth \$150 at a meeting conducted by the Australian Jockey Club when that body was appreciative of any financial help it could get."

Thanks for that information Bert — it's spot on as usual. Editor.
